Music (Clarendon Paperbacks):

2 of 2 review helpful M L West Ancient Greek Music By Joseph B Ennis Very informative book Martin West teaches at Oxford College book is more about the proper naming of ancient Greek Musical instruments For Music history and theory I have found Curt Sachs The Rise of Music in the Ancient World East and West to be the better book However West s book is a good addition to one s library 16 of 16 review help Ancient Greece was permeated by music and the literature teems with musical allusions Here at last is a clear comprehensive and authoritative account that presupposes no special knowledge of music Topics covered include the place of music in Greek life instruments rhythm tempo modes and scales melodic construction form ancient theory and notation and historical development Thirty surviving examples of Greek music are presented in modern transcription with a It is hard to overestimate the value of this first book to present Greek music accessibly to both classicists and to musicologists whose speciality is not in this period Should become a model for the kind of scholarly writing that illuminates rather than
