0 of 0 review helpful Publish or perish By Ashtar Command This is a review of volume VI not volume III For some reason my review has appeared on several different product pages This is the sixth volume of Birds of Africa in which the editors reveal that pressure from the publishers forced them to speed up their little pet project Apparently it took

nine years to go from vol III 1988 to vol V 19 Book by Praise for Volume 6 enormous amount of scholarship skill determination expertise and sheer hard work has gone into the production of this book It is stunning and absolutely essential for anyone with a serious interest in the subject mdash L D C Fis
