By Emile Durkheim, Marcel Mauss : Primitive Classification in an astonishing discovery that could rewrite the history of human evolution scientists say they have found the skeleton of a new human species a dwarf marooned table of contents chapter 1 why seek wisdom from primitive peoples some of the primitive races have avoided certain of the life problems faced by modernized groups Primitive Classification:

Emile Durkheim and Marcel Mauss maintain that society is the source of the very categories of human thought First published in the Ann eacute e Sociologique in 1903 this classic essay has been translated by Rodney Needham who also provides a critical introduction Primitive Classification will impress the reader with its quiet elegance its direct logical form its clarity of style its spirit of careful yet bold exploration mdash Har This is a significant essay because it is the most unqualified expression of its authors grand idea that the origins and meaning of mental categories are to be sought in the organisation of societies The Times Literary Supplement
