By Paul Starr : Remedy and Reaction: The Peculiar American Struggle over Health Care Reform the literature on health care financing follows two distinct lines of inquiry one is business oriented focusing on financial systems

within health care the heroism of incremental care we devote vast resources to intensive one off procedures while starving the kind of steady intimate care that often helps people more
Remedy and Reaction: The Peculiar American Struggle over Health Care Reform:

5 of 5 review helpful So Good It Changed My Mind By Anne Mills An excellent and very informative history of government efforts to reform health care in the U S leading up to a brilliant analysis of the politics that shaped and just barely achieved the passage of the Affordable Care Act aka Obamacare in 2010 The second half of the book is fascinating a political thriller that like Spielberg s Lincoln lays bare t In no other country has health care served as such a volatile flashpoint of ideological conflict America has endured a century of rancorous debate on health insurance and despite the passage of legislation in 2010 the battle is not yet over This book is a history of how and why the United States became so stubbornly different in health care presented by an expert with unsurpassed knowledge of the issues Tracing health care reform from its beginnings to its A clear comprehensive and compelling chronicle of the health care debate Starr is at the top of his game mdash Glenn Altschuler Huffington Post Glenn C Altschuler Huffington Post Starr s unsentimental perspective
