5 of 5 review helpful A Fantastic Book for Review and for class By Raven2827 Biochemistry was my first Med School Class and I was conflicted on whether to get BRS or Rapid Review I am extremely pleased that I purchased this book It has everything important and a great website with over 200 questions The questions at the end and online

are challenging and offer detailed concise explanations on why a right answer is right Get the most from your study time and experience a realistic USMLE simulation These new additions to the Rapid Review Series highly rated in the First Aid rankings make it easy for you to master all of the basic science material covered on the USMLE trade Step 1 Exam Each title focuses on a particular basic science subject providing an at a glance outline format review of all the information you need to know A user friendly 2 color layout Hi
