4 of 4 review helpful It s great One problem though By Rob G I love this book It s a great solutions manual the only

problem is the author editor missed sig fig errors Considering how much this book stresses sig figs I was a little surprised Often the book will ask for answer in 3 sig figs and report the answer in 2 sig figs instead of 3 or the reverse For example lets say HOAc Ka 1.74×10^{-5} this Ka value has The Absolute Ultimate Guide combines an innovative study guide with a reliable solutions manual in one convenient volume A poster size Cellular Metabolic Map is packaged with the Guide on which students can draw the reactions and pathways of metabolism in their proper compartments within the cell
