By Caroline Bowsher, Martin Steer, Alyson Tobin : Plant Biochemistry journal title journal of plant biochemistry and biotechnology coverage volume 1 1992 volume 26 2017 print issn 0971 7811 online issn 0974 1275 medicinal plants and phytomedicines linking plant biochemistry and physiology to human health Plant Biochemistry:

Plant Biochemistry presents each topic from the cellular level to the ecological and environmental levels placing it in the context of the whole plant Biochemical pathways are represented as route maps showing how one reaction follows another These maps emphasize the dynamism and flexibility of the plant in the face of environmental challenges The unique and wide ranging approach of this book emphasizes the importance of teaching and learning pat
