From Brand: Skyhorse Publishing : Vaccine Epidemic: How Corporate Greed, Biased Science, and Coercive Government Threaten Our Human Rights, Our Health, and Our Children incurable gonorrhea outbreak in hawaii showing increased antibiotic resistance 1042016 at least seven patients from hawaii are suffering from what health experts the vaccine myth of polio free status polio vaccine caused 53000 paralysis victims in india last year Vaccine Epidemic: How Corporate Greed, Biased Science, and Coercive Government Threaten Our Human Rights, Our Health, and Our Children:

0 of 0 review helpful Must read By Isabel Carrasquillo This book is amazing It has so much great information on

vaccines You can learn about the ingredients in vaccines and all the different side effects associated with those ingredients Not only does it give you every side of the story but it uses information gathered from doctors scientists and journalist to show that vaccines are dangerous I think everyone should r The book the pharmaceutical industry doesn t want you to read National polls show that Americans are increasingly concerned about vaccine safety and the right to make individual informed choices together with their healthcare practitioners Vaccine Epidemic focuses on the searing debate surrounding individual and parental vaccination choice in the United States Featuring more than twenty experts from the fields of ethics law science From Publishers Weekly Organized somewhat radically around a grim Ursula K Le Guin short story about a child tortured for the good of a community this book s three sections provide anecdotal accounts of physical disabilities following vaccination discriminati
