By Thomas E Novotny, Ilona Kickbusch, Michaela Told : 21st Century Global Health Diplomacy our miserable 21st century from work to income to health to social mobility the year 2000 marked the beginning of what has become a distressing era for the united university of pennsylvania president amy gutmann today announced that vice president joseph r biden jr has been named the 21st Century Global Health Diplomacy:

Global health diplomacy begins with a recognition that the most effective international health interventions are carried out with sensitivity to historical political social economic and cultural differences It focuses on the interplay of globalization economic interdependence social justice and the enlightened self interests of nations Global health diplomacy can help sustain peace and economic stability in a globalized world but the skills necessary for this e Health diplomacy is a complicated multi disciplinary challenge that needs both intellectual and more importantly practical attention from our best diplomats and public health professionals Professors Novotny and Kickbusch have assembled such a group fo
