From Jones & Bartlett Learning; 2 edition (2006-08-21) : Epidemiology: Beyond The Basics by Moyses Szklo (Aug 21 2006) Epidemiology: Beyond The Basics by Moyses Szklo (Aug 21 2006):

1 of 1 review helpful Technical Read By Peter C Coyle First the pros of this book It is highly detailed explaining concepts in depth beyond a fundamentals book staying true to its title The book provides numerous real world epi examples which takes the concepts into a deeper applied understanding However the writing style of the authors takes on a very traditional scientific style of writing Co
